# Deer Farming Meeting - Innerhadden Estate

## With the Venison Advisory Service

**Location:** Village Hall,  
Kinloch Rannoch,  
Perthshire

**Date:** 12<sup>th</sup> September 2022

**Time:** 10:30am – 3pm

**Speakers** from the Venison Advisory  
Service and SAC Consulting Ayr

The focus of the day will be to outline the farming system at Innerhadden including rotational grazing, setting up the rut, best practice weaning strategy and how to successfully transition weaned calves onto a forage crop for outwintering. We hope to generate discussion around reducing production costs and maximising herd potential.

Lunch will be provided.

**Booking is essential for catering purposes – see how to book on the next page.**

The **map on the next page** details the estate field where cars can be parked (annotated with a red star) and the Village Hall (annotated with a red circle) where we will start the meeting on the day. Please note there is a short 2 minute walk from the car park to the village hall.

We plan to spend the morning in the village hall and after lunch we will visit Innerhadden Estate.
